Dua for protection at work

Problems of job security can leave a person mentally disturbed and sometimes even depressed, but one should not worry at all, as long as they think Allah is omnipotent and His mercy is limitless. This wazifa is extremely powerful when it comes to putting you in a stronger and more stable position when it comes to job protection and safety. 1 - Sit in a beautiful place where there is peace and no noise 2 - Recite Surah Fatiha three times as thanks to Allah for allowing you to make a request for safety at work 3 - Recite the verse of the Qur'an below 300 times after fajr and asr salah (keep your dua / desire in your need during this time) 4 - Recite Surah Fatiha three times again thanks to Allah to help turn to Him. 5 - Repeat this wazifa for 11 days Innallaha huar-razzaqu zul quwwatil mateen If you have found a new job, you are particularly concerned about how to maintain good relations with your colleagues
